

IMMORTALS FENYX RISING TIPS & TRICKS!

OPTIMIZE YOUR STAMINA.

handy if you are more mobile faster. One of the best ways to maximize your mobility in Immortals Fenyx Rising is to boost your stamina.

To get the ability to gain stamina, you need to go tot he Bench of Zeus in the Hall of the Gods. Using the Bench of Zeus allows you to add another chunk of stamina each time you drop a few pieces of Zeus's Lightning into it.

It takes several bits of lightning to increase your total amount of stamina.

Overall, this will make you progress faster.

START GATHERING ADAMANT SHARDS TO UPGRADE YOUR

As you might know, weapons and armor are important in this game. You obtain adamant shards by killing creatures and enemies and by looking for big shards spread across the map.

The more you kill, the faster you will have better gear. You will need different colors of shards to upgrade different kinds of weapons and armor. You can upgrade your armor in the Hall of Gods.

COLLECT ALL PLANTS THAT YOU COME ACROSS

Plants are used to create various potions in the game. Our tip is to gather all the plants you come across so you can make potions all the time. Purple and yellow plants are quite rare and make good attack and defense potion. After some hours in the game you can unlock the telekinetic gathering skill which you can use to gather multiple plants in one area.

Before you have the telekinetic gathering skill, make sure you take the time to collect them. Although this seems endless, keep collecting plants to give yourself a head start.

SOLVE PUZZLES TO GAIN MORE XP AND BETTER GEAR

Solving puzzles will earn you XP, stamina boosts and better gear. They are scattered across the world. Although some seem very hard, make sure you solve all of the puzzles you come across. One other tip for solving these puzzles is to take pictures of hints that you can find on the map. It might seem distracting from the main story line but, in a game like Immortals Fenyx, going of path is important for completing the game.
